FDD transferred to OER, eff. 2 Dec. 1963
Acting Chief, Foreign Documents Division

FDD Monthly Progress Report -- December 1963

25X1A

[redacted] Chief, Benefits and Services Division, OP addressed members of FDD on the subject of compensation benefits, 3 December.

On 6 December Chief, FDD attended a briefing of Assistant Secretary of Defense Fubini by Air Force Systems Command concerning the status of machine translation at Foreign Technology Division. Mr. Bagnall's presence was requested by AFSC in view of the pending arrangements between FDD and FTD for mutual cooperation in the MT program, and in anticipation of possible questions from Dr. Fubini concerning FDD's interest in MT.

25X1A

of [redacted] organization with respect to machine translation to Chief, FDD and interested FDD officers. These objectives included the production of machine translation requiring no postediting, at the rate of two million words per day, and costing one-half cent per word. [redacted] departed when informed that the Agency at this time was coordinating its interest in MT research with NSF and DOD and had no funds to devote to the
